

SAT Testing

Great news! The Center of Educational Opportunity/Alternative Education Program is offering two SAT testing days at our school!

September 23rd & October 27th

These testing sessions are for ✨seniors who do not have any SAT scores on file. In order to follow CDC guidelines for safety, each test administration will be capped with a maximum of 80 seats. **Due to limited space**, students are only allowed to **sign up for ONE administration** and may only test at their school of attendance.

Beginning August 28, 2020 you will be able to click the registration link to Regi Smart to create an account, register and pay for your SAT test.

You will be asked to create a username and PIN number and must use a different **email address for the student and parent information**. Please know: students may only register at your school of attendance.

Registration for the September 23rd test will open from August 28th-September 18th.
Registration for the October 27th test will be open from September 24th- October 21st

Please click the Regi Smart link below to Sign up Today!
